

Joanne Benton Grant for Educator's Exploration Summer 2017

The Joanne Benton Grant for Educator's Exploration is a grant from the Wilmington Educational Foundation, whose mission is to enrich the lives of school teachers and students by providing outstanding teachers with recognition and opportunities for summer learning and exploration. Making a difference one teacher at a time; the J. B. Educator's Exploration grant provides funds to teachers to support summer sabbaticals of their own design with the goal to create a hands-on learning environment for the educator to bring back to their students. The Educator's Exploration Grant will enable some of you to fulfill your professional development dreams.

Here is an example of what the foundation could do to enhance your hands-on learning. Imagine attending the Malaga Plus Language Institute in Malaga, Spain for two weeks for an intensive study of grammar, Spanish culture, and education. Can you picture the hands on activities that you could bring back to your classroom in the fall? This is just one specific example of professional development opportunities that teachers could experience "outside the box".

The J. B. Educator's Exploration Program could fulfill some of your educational dreams!!!

WHO IS ELIGIBLE TO APPLY?

You are eligible to apply if you are a certified staff member with professional status currently working in a Wilmington Public School and you will be returning as a Wilmington Public School certified staff member in the academic year 2017-2018.

About the Wilmington Educational Foundation

The Wilmington Educational Foundation is a 501c (3) non-profit organization whose purpose is to support the Wilmington Public School System. The WEF provides support through fundraising efforts from various sources: through private and corporate funding and community fundraising efforts. Funds raised are used to award grants for innovative and creative programs that are not covered in the current year's school district budget.

The WEF is "**Wild About Wilmington Schools**" because one of our community's greatest assets is our children. Their potential for contributing to the vitality and success of our town now, and in the future, is closely associated with the quality of the education they receive from Wilmington Schools today. The Wilmington school system provides children with wonderful tools to learn ~ the WEF helps the schools to reach their goals and beyond.
