

2020 WEF Technology Grant Application

To: All Educators in the Wilmington School System

From: Wilmington Educational Foundation (WEF)

Date: March 25, 2020

WEF is pleased to announce its 2020 Technology Grant Program.

Grants (up to \$1,000.00) are available to teachers who would like to implement new software, hardware, web applications, apps or other electronic devices or tools in their classrooms.

Grant application forms are attached. Feel free to attach any additional items to the application that would help us better understand your proposal.

Proposals must be approved by your principal prior to submission. Please have your principal sign the application form using the appropriate signature line.

The deadline for applications is **Friday, May 1, 2020**. Applications should be emailed to technologywef@gmail.com. Please do not mail your application.

Submitted applications will be reviewed by the Wilmington Educational Foundation's Technology Grant Subcommittee, with assistance from the district's OIT Department.

All applicants will be notified in May once a decision is reached.

During the 2020-2021 school year, recipients may be asked to make a brief presentation to the WEF Board highlighting how they successfully utilized their new technology in the classroom.

If you have any questions about the application process, please email technologywef@gmail.com.

WEF encourages all interested educators to submit an application. Good Luck!
