 FOUNDATION

Wilmington Educational Foundation Business Donor Drive

The Wilmington Educational Foundation (WEF) is reaching out to ask for your help. For the first time in its 25-year history, WEF is conducting a business donor drive in an attempt to increase the amount of support it provides to the 3,330 students and 275 teachers of the Wilmington Public School System.

WEF is asking your business to please consider making a modest, tax-deductible donation. 100% of your donation will go to support the Foundation’s popular teacher grant program. Since 1994, WEF has distributed more than \$175,000 in grants to fulfill the requests of educators in the areas of curriculum, technology, and professional development. \$15,000 in grants was distributed this year.

WEF kindly requests that donations be received by June 1, 2018. Please note that the donation benefits described below will be in effect from June 2018 through June 2019.

- For donations of at least \$25, WEF will include your business’s name & logo on its website.
- For donations of at least \$50, WEF will ALSO include your business’s name in its quarterly e-newsletter sent to parents & staff, along with a monthly mention on its social media accounts.
- For donations of at least \$75, WEF will ALSO include your business’s name on its donor banner, which will be displayed at all WEF events & fundraisers, and community events WEF attends.
- For donations of at least \$100, WEF will ALSO come to your business with an oversized check for a photo op, and then create & send a press release to the *Town Crier*, *Advocate*, *Patch*, *Apple*, & *Sun*.

Should you have any questions, please contact WEF President Robert Hayes at 978-604-8933 or wilmingtonedfoundational@gmail.com. Thank you for your support!
